

Ultranitril 480

> Ultra-long chemical protection

- Optimised service life: excellent mechanical resistance (abrasion, perforation)
- Excellent protection during intensive handling of high-risk chemical products
- Good grip on slippery objects, due to the embossed texture

Automotive/mechanical industry

- Treating/degreasing metals with aggressive solvents

Other industries

- Maintenance
- Timber treatment and finishing
- Application of pesticides
- Cleaning of printing-press rollers

Chemical industry

- Handling drums of chemical products

Cat. 3

4102X

Type A

AJKOPT
